\*I confirm that I am/the applicant is eligible for membership of Listening Books and cannot read books in the usual way, and that I/they would find the membership fee (ranging from £20 to £45 per year) a barrier to joining the service. I understand that these audiobooks must not be modified, copied, reproduced, transferred, distributed, leased, licensed or publicly performed in any way, are lent to members for their own non-commercial use only and will be returned to Listening Books or, if downloaded, will be deleted from any portable device and any discs the titles have been burnt to destroyed at the end of the lending period. If signing on behalf of a child, young person or vulnerable adult you agree to accept responsibility to monitor the titles they listen to. Funding permitting, your membership will be renewed on an annual basis if you are actively using the service. Your membership will be cancelled if not used within 4 weeks of receiving your membership 'Welcome Pack'. Listening Books is a registered charity.
